

# Andgar's 2019 Automatic Dumper for Berries

Whether you process blueberries, raspberries, strawberries or blackberries from flats or lugs, Andgar has the perfect solution to keep your fresh fruit flowing.

Our new, patent-pending 2019 dumper for flats and lugs gently places the berries on multi-directional conveyor belts to ensure continual and consistent flow with no gaps or overloading.

## The Andgar Advantage

- Dumps up to 1,000 flats/800 lugs per hour
- More consistent product
- Reduces labor and labor liability
- Reduces production line energy use
- Reduces risk of production line shutdowns
