

Andgar's Berry Blower Cleaner

If you process two kinds of fruit, there's only one blower cleaner that can meet your needs.

Blueberries and raspberries get a higher standard of hygiene from our dual blowers while sticks and leaves get left behind.

The Andgar Advantage

- Built with easy to clean, sanitary stainless steel
- Adjustable height in-feed hopper and belting to integrate into any blueberry line
- Swing away hood designed for easier cleaning
- Dual blower system improves hygiene
- Volta Belting
